

Kurtis K. Schlicht
Project Manager
ENSR International – Houston

Mr. Schlicht is a Project Manager for ENSR International, an environmental consulting firm located in Houston, Texas, where he specializes in biological and regulatory programs related to wetlands and other environmentally sensitive issues. He is currently the Vice-Chair of the Texas Chapter of the Corporate Wetland Restoration Partnership and currently holds board positions on multiple committees for the Galveston Bay Estuaries Program. Mr. Schlicht has over 15 years of experience working on the Texas Gulf Coast. Prior to joining ENSR he worked for the Texas Parks and Wildlife Departments Coastal Fisheries Division where he managed fishery resources for the Galveston Bay Estuary. Mr. Schlicht has a B.S. Degree in Biology from Texas Tech University and is currently working on his Masters Degree in Environmental Science at the University of Houston.
