

Andrew Pelloso

Indiana Department of Environmental Management

Mr. Pelloso is Chief of the Indiana Department of Environmental Management's Wetland Regulatory and TMDL Programs. Mr. Pelloso has been with IDEM for over 10 years, and his duties include rule and policy development, public outreach, and early coordination. Mr. Pelloso's education includes a Bachelor of Science in Biology, Masters Degrees in Environmental Science and Public Affairs from Indiana University, and numerous seminars and courses on wetlands, soils, plants, and wetland regulation. He is also the current Chairman of the national Association of State Wetland Managers and is currently serving in his second term in that organization.
