

Donald R. Leal

Senior associate of PERC-the Property and Environment

Research Center in Bozeman, Montana. A widely respected policy analyst and writer, Leal has been a pioneer in evaluating resource management policies, including the role of property rights and the incentives facing government managers. Among many other writings, he recently authored *Fencing the Fishery: A Primer on Ending the Race for Fish* and edited a volume titled *Evolving Property Rights in Marine Fisheries*, forthcoming from Rowman & Littlefield Publishers, Inc.
