

**Ronald F. Massey**  
Assistant City Manager  
Public Works and Utilities  
City of Corpus Christi

Ronald F. Massey was appointed Assistant City Manager for Public Works and Utilities in September 1999. In this position, he oversees the Water, Wastewater, Storm Water, Gas, Streets and Solid Waste Services, and Engineering Services Departments. Prior to this appointment, Mr. Massey was the Director of Public Works for the Town of Franklin, Massachusetts for six years and served as an installation manager with the US Army for ten years. He received a Bachelor of Science in Chemistry from the University of Dayton and a Master of Science in Management from the University of Central Texas.
